Name: _____
Enter name exactly as it appears on passports last/family first middle or other official documents.

U.S. Social Security number (optional): _____ Preferred name: _____

Mailing address: _____
number and street

city state or province zip + 4 or postal code county (if U.S.) country telephone

Date of birth: _____
month/day/year

E-mail address: _____

It is important that you provide us with a legible, current e-mail address that you check frequently. **E-mail is our primary tool for communicating with you to request missing application materials, verify information, give you special instructions, etc.** Please carefully type or print your e-mail address on the application form, being certain that characters are understood (for example, using Ø for zero and noting the difference between a lower case l, the number 1, and the letter I.) Please be sure to include cornell.edu in your email address book and/or remove any spam blockers that might prevent our e-mail from reaching you.

Cell phone number (optional): (_____) _____
area code

As a secondary tool for communication, we may occasionally provide additional information or special instructions via text messaging. If you have a text-enabled cell phone, you can opt in to receive these messages by providing your cell phone number.

What was your major at your current/last attended college: _____

What system did your previous college use? quarter trimester semester year

Are you a member of your college's Phi Theta Kappa Honor Society? Yes No

2010 Cornell University Transfer Supplement continued

Name: _____ Date of birth: _____

Academic Interest Essay (all applicants to complete):

Please address the topics below in an essay of approximately 500 to 750 words total.

Tell us what you'd like to major in at Cornell and why, how your past academic or work experience influenced your decision, and how transferring to Cornell would further your academic interests.

College of Agriculture and Life Sciences Applicants Only:

Students in the College of Agriculture and Life Sciences are often interested in several major fields of study and take courses in more than one area. Do you want to be considered for admission to an alternate-choice major in Agriculture and Life Sciences if you are not admitted to your primary-choice major? Yes No If yes, indicate your alternate-choice major interest: _____.

College of Arts and Sciences Applicants Only:

In addition to completing the Academic Interest Essay, please choose and discuss a quotation or personal motto that reflects your values and beliefs and tells us something about the kind of person you are. Your response should total approximately 500 to 750 words.

College of Engineering Applicants Only:

Please check to make sure that complete course descriptions and/or syllabi are submitted by the application deadline and clearly labeled with your name and date of birth. We cannot evaluate your application without them. For submission instructions, see www.engineering.cornell.edu/transfer.

Students applying to the College of Engineering sometimes have a genuine interest in more than one major in Engineering. Do you want to be considered by an alternate-choice major in Engineering if you are not admitted to your primary-choice major: Yes No

If yes, please submit an additional statement (approximately 500 words) discussing your interest in the major of _____ (fill in blank with alternate-choice major).

College of Human Ecology Applicants Only:

In addition to completing the Academic Interest Essay, we are interested in learning how students address difficulties they may have faced. Please tell us how you approached a challenging circumstance and what resources you employed to deal with that challenge. Your response should total approximately 500 to 750 words.

New York State Residents Only

Are you enrolled in one of the following New York State opportunity programs at your current college/university: EOP, HEOP, College Discovery, SEEK? Yes No

If yes, please indicate the program: EOP HEOP College Discovery SEEK

Visiting Students Only

How many semesters do you plan to attend Cornell? _____ Please list your proposed courses by semester.

Fall

Spring

Required for all applicants:

Reminder: You must submit your \$70 application fee with the Common Application. If you are applying for a fee waiver, please select "Online Fee Waiver Request" and mail your fee waiver form or letter to the Undergraduate Admissions Office. Visit admissions.cornell.edu for further information regarding application fee waivers.
