Writing Supplement Essay (all applicants to complete)
Please address the topics below in an essay of approximately 650 words total.
Tell us what you’d like to major in at Cornell, and why or how your past academic or work experience influenced your decision, and how transferring to Cornell would further your academic interests.

College of Agriculture and Life Sciences Applicants Only
Cornell’s College of Agriculture and Life Sciences (CALS) is a premier institution of scientific learning, tackling the complex challenges of our time through purpose-driven science. Please discuss how your past academic and/or work experience has influenced your choice of major and how transferring to Cornell CALS would further your academic interests.

College of Engineering Applicants Only
Please make sure that complete course descriptions and/or syllabi are submitted by the application deadline and clearly labeled with your name and date of birth. We cannot evaluate your application without them. For submission instructions, see https://www.engineering.cornell.edu/admissions/undergraduate-admissions/transfer-applicants
