2020 UCA for First-Year Admission/Cornell University Supplement continued

Name: _____ Date of birth: _____

College Interest Essays

The primary focus of your college interest essay should be what you intend to study at Cornell. Please respond to the essay question below (maximum of 650 words) that corresponds to the undergraduate college or school to which you are applying. Be sure to include your date of birth and your full legal name, exactly as it appears on passports or other official documents. Please attach to the back of this form.

College of Agriculture and Life Sciences: Why are you drawn to studying the major you have selected? Please discuss how your interests and related experiences have influenced your choice. Specifically, how will an education from the College of Agriculture and Life Sciences (CALS) and Cornell University help you achieve your academic goals?

College of Architecture, Art, and Planning: What is your “thing”? What energizes you or engages you so deeply that you lose track of time? Everyone has different passions, obsessions, quirks, inspirations. What are yours?

College of Arts and Sciences: Students in Arts and Sciences embrace the opportunity to delve into multifaceted academic interest, embodying in 21st century terms Ezra Cornell’s “any person...any study” founding vision. Tell us about the areas of study you are excited to explore, and specifically why you wish to pursue them in our College.

Cornell SC Johnson College of Business: Charles H. Dyson School of Applied Economics and Management: The Dyson School is unique by design. What motivates you to apply to Dyson and where do you plan to go from here?

Cornell SC Johnson College of Business: School of Hotel Administration (SHA): How have your interests and experiences influenced your decision to apply to the School of Hotel Administration? How does this decision relate to your future plans and aspirations?

College of Engineering: Tell us about your interest in engineering or what you hope to achieve with a degree in engineering. Describe what appeals to you about Cornell Engineering and how it specifically relates to your engineering interest or aspirations.

College of Human Ecology: How has your decision to apply to the College of Human Ecology been influenced by your related experiences? How will your choice of major impact your goals and plans for the future?

School of Industrial and Labor Relations: Tell us about your intellectual interests, how they sprung from your course, service, work or life experiences, and what makes them exciting to you. Describe how ILR is the right school for you to pursue these interests.

Have you applied for admission to Cornell before (including the Summer Session or Summer College)? Yes No

If so, for what term? (check one) Fall Spring Summer

And for what year? _____

New York State/Cornell Opportunity Programs

Through New York State’s Educational Opportunity Program (EOP) and Higher Education Opportunity Program (HEOP), Cornell offers a network of services (including a prefreshman summer program) for academically and economically disadvantaged students. If you’re interested in learning more about EOP and HEOP, please visit our website at oadi.cornell.edu/heop.

Reminder for all applicants: You must submit your \$80 application fee or fee waiver. If you are applying for a fee waiver, please indicate this on the application and mail your fee waiver form or letter to the Undergraduate Admissions Office, 349 Pine Tree Road, Ithaca, NY 14850. Visit admissions.cornell.edu for further information regarding application fee waivers.
